ARMENIAN CHURCH OF OUR SAVIOUR

WELCOME

PARI KALOUSD
ԲԱՐԻ ԳԱԼՈՒՍ

Parev, welcome! We are excited to welcome you to our church for a celebration of Armenian community, heritage and faith!

Armenians are one of the oldest nations in the world. In the Biblical story of the World Flood the Noah's Ark landed on Mount Ararat in Armenia. In 301AD Armenia became the first nation to accept Christianity as a state religion.

Armenian Church of Our Saviour is the first Armenian Church in America. Some of the first Armenian immigrants that arrived in America settled in Worcester and contributed for more than 100 years to the greatness of this city.

We welcome you to our church, and we sincerely hope that you enjoy Armenian heritage through our cultural exhibits, presentations, food, baked goods, music, and activities!

Fr. Tadeos Barseghyan, Pastor
